## From the Head's Chair

It's been a very busy week at Wessex this week with parents' evenings, visiting theatre workshops, taking part in turning Maidenhead red for Maggie Mae Morgan and finishing off with a 1 mile run for sports relief!

Thank you to everyone who took part in the fundraising campaign to remember Maggie Mae Morgan and to raise money for Great Ormond

Street hospital, especially as it was such short notice. It was

lovely to see a sea of bright red across the school and a big thank you for all your donations. We raised £384 so congratulations to everyone.

The upper school had a brilliant visit from Roughshod theatre company this week who looked at what makes a good friend. They held a whole school assembly looking at the story of the good Samaritan and retold it through song and drama. They then worked with the Year 5 children in drama workshops further exploring the themes of being a good friend. A big thank you to Rev. Joan Hicks for arranging the workshops for us and I know there are some exciting events over the weekend at the community centre involving Roughshod, please find further information on the back of the newsletter.

Finally what an end to the week with our sports relief run a mile it was great to see so many parents and children taking part, thank you to the sports ambassadors and Mr Lloyd for organising the event and the PTA for providing the refreshments. Lots of fun was had by all whether walking, running or hopping! We have currently raised £215 towards our £500 target on the just giving page.

## Road Safety

We have been made aware of a few children in the upper school, Years 5 and 6 who are not practicing everything they are taught to be safe on the roads, we have had reports of children arriving early before school and cycling and scooting up St Adrian's and Wessex way in a careless fashion. If your child cycles to school please enforce that they do so carefully and when they arrive they park their bikes and wait for the gates to open. The gates do not open until 8.45am. We have also had reports from a concerned parent about a child running across the road without looking. As a school we do remind children about safety but this message should also be reinforced from home as well. Thank you for your support in keeping our children safe.
